

I'm afraid this time it's not the usual newsletter, but I wanted to let you know that we are planning on gathering on Saturday, April 22nd at 6:30 at Capital View Winery (formerly Wanderosa, by Roca). Here's a little background of the new owners:

Les and Trish, the new owners, bring a unique background to how Capitol View Winery & Vineyards will look and feel. One, a former professional boxer, the other, a former Colorado farm girl. Both became lobbyists. Les and Trish's professional backgrounds present a significant personal meaning of the capitol building. The owner's background coupled with their beautiful views made Capitol View Winery & Vineyards an ideal name for the winery!

This will be a pretty informal night, but we thought it would be a great time to meet and get to know some of our new members.

Next month several of us will be attending the Nebraska Wine & Jazz Festival in Kearney, NE on May 12th & 13th. Here is the website where you find out more about the Festival: wineandjazzfestival.org. The club went there on one of our wine club trips and a good time was had by all.

We hope to see you on the 22nd. I will get another newsletter together soon. I just need to find some time, so if you have any extra will you share :).
