This is our wine club's first annual swap meeting. Bring anything you want to trade, sell, or give away that is related in any way to the art of wine making. Some items we already know of include a double door refrigerator, bubblers, filters and some chemicals and hand corks. Some display tables will be provided. You are welcome to bring your own tables if you feel it necessary. At about 6 pm we will eat and drink so bring as potluck dish and wine. We will supply burgers and dogs! Feel free to bring friends. Please call Bart (402-310-9338) with any questions. See you all next Sunday.

The **July meeting** will be at Roma and Randy Amundson's home in Lincoln ( 7101 S 134<sup>th</sup> St. WALTON, NE 68461) on **July 26<sup>th</sup> at 6:30**. It will be a potluck with dishes made with or from wine. Sounds like fun!! Games for your participation will be part of the activities.

Club member Tom Zumphe needs our help! He must strip off all grapes from two varieties of his vines due to 2,4-D damage. We, as a club, did this last year and added about \$400 to the club coffers. We will meet at Tom's vineyard on **Sunday, July 6** at about 4 pm and pick/strip his vines till tired or hot or it's dark. Please help if you can. Tom's address is 500 S. 176<sup>th</sup> St, Lincoln, NE

The May wine club tour was a great success with 32 members partaking in visiting 5 wineries and tasting fine Nebraska produced wine. Our thanks to all who participated and hope those who did not can do so next time.
