Club wine:

Pick, crush and destem Frontenac

When: Sunday, August 30 (next Sunday) 2015.

Where: Home of Club members Bart and Nancy Holmquist, 1333 Prairie View Rd., Eagle NE 68347

Who: Club members of course and any one interested in making wine. Come join us for food and fun and join the club. Only \$10/ year.

What to bring: Wine!! Also a 10 gallon or so tote to take home the must for each team. Also bring a wine glass for yourself and lawn chairs. If you can, bring a side dish or desert to share. We will supply Pizza and a have short meeting at 7 pm.

What to do: The Frontenac grapes for the club wine will be picked, crushed and de-stemmed by members at Bart's vineyard. There are about 40 plants. We should get 5 to 6 gallons of must so 5 or so teams of 2 or more club members each should be arranged and take the must home or where ever the team captain lives. The teams will ferment and bottle the Frontenac wine they make, and sometime next year we will have a contest with experienced judges to pick the best wine made. If you want to help pick it will take a few hours to pick and crush, so come about 4 in the afternoon. We need at least 5 volunteer pickers to help pick. If you can help pick call Bart at 402-310-9338. Checkout the website at newwineclub.org
