

Amateur Winemakers of Nebraska

July 19, 2015

www.newwineclub.org

Meeting Announcement:

This Saturday, July 25th at 6:00 PM will be our next wine club meeting and will be held at Roma and Randy Amundsons.

The Amundsons will supply the MAIN DISH as well as wine glasses, silverware, napkins and plates and Club members will bring your best wine and a side dish, salad, or dessert.

Roma and Randy live at 7101 S 134th St., Lincoln, just south of Pine Lake Rd. If anyone needs to call for directions Roma's phone number is 402-432-5488.

Our main activity will be a question and answer game dealing with winemaking and wines that should be entertaining as well as educational. Bring your thinking caps, and perhaps a few questions to include. There will be lots of prizes!

We are still supported by Kirk's Brew in Lincoln and members get a 10 % discount on their purchases upon showing Kirk your membership card. New cards will be available at this meeting so if you have not yet paid your dues (\$10) for the coming year, which are due this July, please consider doing so at this time.

As with any organization or club it is only as good as the members. If our members could contribute with ideas for meetings, be willing to host a meeting, step up when asked to volunteer for a special project, or in general be willing to share in club responsibilities it would be appreciated. Our August meeting will be to pick, destem, and crush Frontenac grapes at Bart's or John Potter's vineyards and get enough must for at least 5 x 5gallon batches to have a contest again for which team can make the best red wine. So get your teams of 2 to 4 members together for the challenge!

Bart and the steering committee, 7/19/15
