

Amateur Winemakers of Nebraska

November 2015

www.newineclub.org

On October 17th our wine club bus trip started from Deer Springs. Our first stop was Junto Winery near Seward. The owners were more than welcoming and gave the club a tour of the inner workings of the winery.

Our next stop was near St. Paul at Miletta Vista Winery. The wine was very good and the view was absolutely beautiful as it overlooked the countryside of the Loop River Valley. Unfortunately due to some logistics involved we will not be including them on any future tours.

Our third stop was just outside of Central City at Prairie Creek Vineyard. The wine was great and so were the owners as they were very accommodating and answered questions while mingling amongst our tour group.

Our last stop before returning to Deer Springs was at the Makovica Winery near Brainard, where the wine, views and owners were all great.

NOVEMBER 15 – DEER SPRINGS WINERY

(162nd & Adams St.) – 3:00-5:00

Our club is invited to Deer Springs where Jen Reader will talk and tell us about Sparkling Wine. This should be a good meeting and we all know her wine is very good! Hope to see you all there.

DECEMBER 5TH – AWON ANNUAL HOLIDAY PARTY

7615 ERIN CT., LINCOLN, NE - STARTS AT 6:00

Hosted by Chuck & Rhonda Berens (note we have moved so it's a different address)

Christmas is quickly approaching and we want you to mark your calendar and plan on attending our annual Christmas party. We will have a pot luck where you can bring your favorite Holiday yummy – main dish, appetizers, dessert, and of course a bottle of wine is always good to go along with our food. We have great cooks in our club!

In years past we have had a gift exchange. We will do this again this year. It is strictly optional, but it is a lot of fun. The gifts are expected to be \$15-20 range and wine related. Bring it wrapped so no one can see what is in it. We will draw numbers and when it's your number's turn you get to pick whatever gift you want or you can pick one that has already been opened and exchange. There is a limit on how many exchanges there are. It turns in to a lot of fun. We also have been known to play Christmas Trivia. We are always open to ideas.
